BLUE STAR

ADVANCED COOLING MEETS ELEGANT DESIGN.

DEEP FREEZER RANGE

ABOUT BLUE STAR

With over eight decades of experience in providing expert cooling solutions, Blue Star is India's leading air conditioning and commercial refrigeration company. Built on trust, Blue Star is recognised as an industry leader known for innovation, quality and durability in several countries across the globe.

The Company offers a comprehensive range of products that are not only technologically advanced but also sustainable, energy–efficient and intuitively designed. Packed with modern and contemporary features, these products ensure the best of comfort and convenience. Further, Blue Star prides itself in offering a world–class customer experience and exemplary after–sales service. The Company's extensive and continuous investments in research and development are primarily responsible for its success and enviable reputation across the globe. Blue Star has several registered patents, six registered designs and has applied for many new patents.

WORLD–CLASS MANUFACTURING FACILITIES

With a modest start, from a single plant in Colaba, Mumbai in the 1940s, Blue Star has grown to become an industry authority. It has world–class manufacturing facilities in Dadra, Himachal Pradesh, Wada and Ahmedabad apart from Sri City, which is operated by its wholly–owned subsidiary, Blue Star Climatech.

DEEP FREEZERS

Blue Star's Deep Freezers are the ideal solution for keeping food fresh and preserved for a long time. Engineered with superior components and cutting–edge technology, our Deep Freezers operate at sub–zero range, reaching as low as –26°C. Designed to lock in both freshness and nutrition, they enable you to enjoy your favourite food whenever you desire.

RIGOROUS ENDURANCE TESTS

Our Deep Freezers undergo rigorous tests to ensure continuous performance, even in extreme ambient conditions. Our gaskets are subject to 100 hours of endurance testing, while the doors are tested for one lakh cycles of opening and closing. This commitment to quality guarantees a long–lasting and trouble–free performance.

COMPREHENSIVE RANGE

Blue Star offers a comprehensive range of Deep Freezers to cater to diverse needs and capacities. From Hard Top & Glass Top Deep Freezers, Chest Coolers, to Cooler–Cum–Feezers, we provide reliable options ideal for storing dairy products, frozen foods, and other essentials.

ENHANCED DISPLAY

Our Glass Top Deep Freezers not only preserve and protect products but also enhance their visual appeal. Designed to create value while aligning with aesthetic preferences, they strike the perfect balance between maximizing floor space and showcasing products effectively.

HARD TOP DEEP FREEZERS

Our wide range of Hard Top Deep Freezers are crafted with a cutting-edge technology to ensure long-lasting freshness and reliable performance, even in high ambient temperatures. Engineered for energy efficiency, they consume less power, ensuring significant savings while providing the most cost-effective solution for all your storage needs.

CHEST COOLERS

Our Chest Coolers are expertly designed to rapidly chill soft drinks, milk, and beverages, even in the intense heat of Indian summers. Perfect for commercial spaces like restaurants, hotels, dairy farms, and fast-food outlets, they deliver reliable performance in demanding conditions. Equipped with energy-efficient compressors and an advanced technology, these coolers maintain optimal temperatures while enhancing efficiency and sustainability.

COOLER–CUM–FREEZERS

Our Cooler–Cum–Freezers are the ultimate solution for storing a diverse range of frozen foods and chilled beverages in a single unit. It seamlessly integrates two functions by providing separate compartments for the freezer and cooling chamber. This not only maximises space but also reduces capital investment and operating costs. A seamless blend of innovation and efficiency, delivering exceptional value.
