Brigade®	**Jade®**	**TurboChef®**	**Viking®**	**U-Line®.**

In 2014, The Middleby Corporation was named a Fastest Growing Company by Fortune Magazine.

Middleby Celfrost is recognized in India as a preferred commercial foodservice equipment supplier with a broad line of cold side products such as professional refrigerators, cold rooms, ice machines, and freezers, marketed under the Celfrost brand. Celfrost is a leading supplier of equipment to many of the fast-growing restaurant chains and hotel groups.

Middleby Celfrost has an extensive marketing and service network in India, including 21 brand centres that we will strategically leverage to support Middleby's entire portfolio of brands in the market. We are also excited about the opportunity to introduce the Celfrost brand and portfolio of products into other emerging markets utilizing Middleby's existing sales and marketing infrastructure.

Middleby Celfrost hosts an in-house Service team dedicated to cater to Service related queries of its Customers. A dedicated Toll-free helpline and online connectivity via Email stays active Weekdays while the Technical Team is Active 24x7 for the Customer Service and Satisfaction.

Our service has a well-defined and organised structure that is Primarily Customer Oriented, the Team aims at rendering a Hassle-Free Customer Service Experience.

I've always proclaimed my love for the CTX Mighty Chef. It let us rewrite the rules for setting up a pizzeria!

Ramki
Founder and CEO, Pizza Republic

Middleby Marshall was one thing which has taken us to where we are today.

Rohit Narang
Co Founder of Tossin Pizza

"You're only as good as the tools you use, and we use the best – Middleby brands like Jade and Beech."

Michelin Star Chef Paul Kahan
Blackbird, Avec, Publican, Chicago

"Middleby has the world's most consistent and reliable conveyor oven. It cooks a perfect pie every time. In our restaurants we use 100% Middleby Marshall."

Papa John Schnatter
Founder and Chairman, Papa John's

"We use the best in our stores and the Middleby brands are the best."

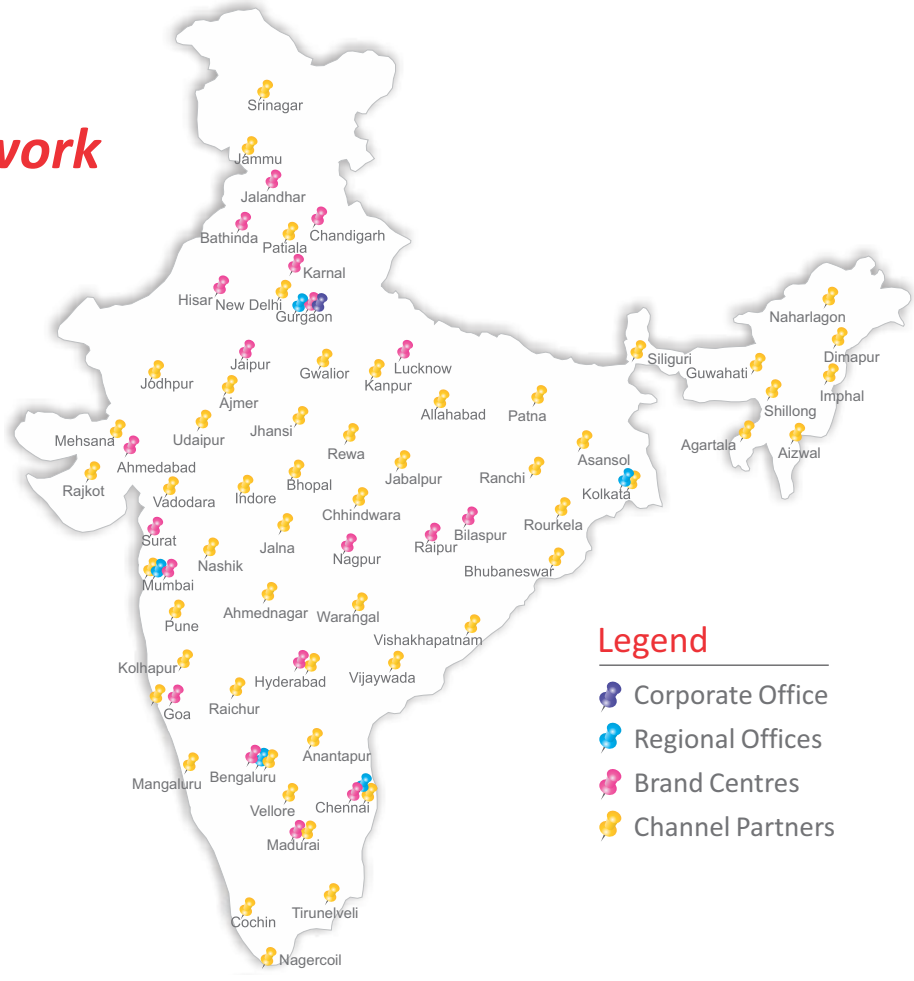

Nigel Travis
CEO, Dunkin' Donuts

"We use TurboChef to toast our sandwiches and Nu-Vu to bake our bread at Subway restaurants all over the world."

Late Fred DeLuca
Founder and CEO

Middleby Celfrost Sales & Service Network

Middleby Celfrost has a pan-India sales & service network. Training initiatives are regularly undertaken for dissipation of requisite skills over an expanded geography in India in order to cater to the demanding service requirements of many of our large clients whose establishments are spread out nation wide.
